ANNEXATION ALERT

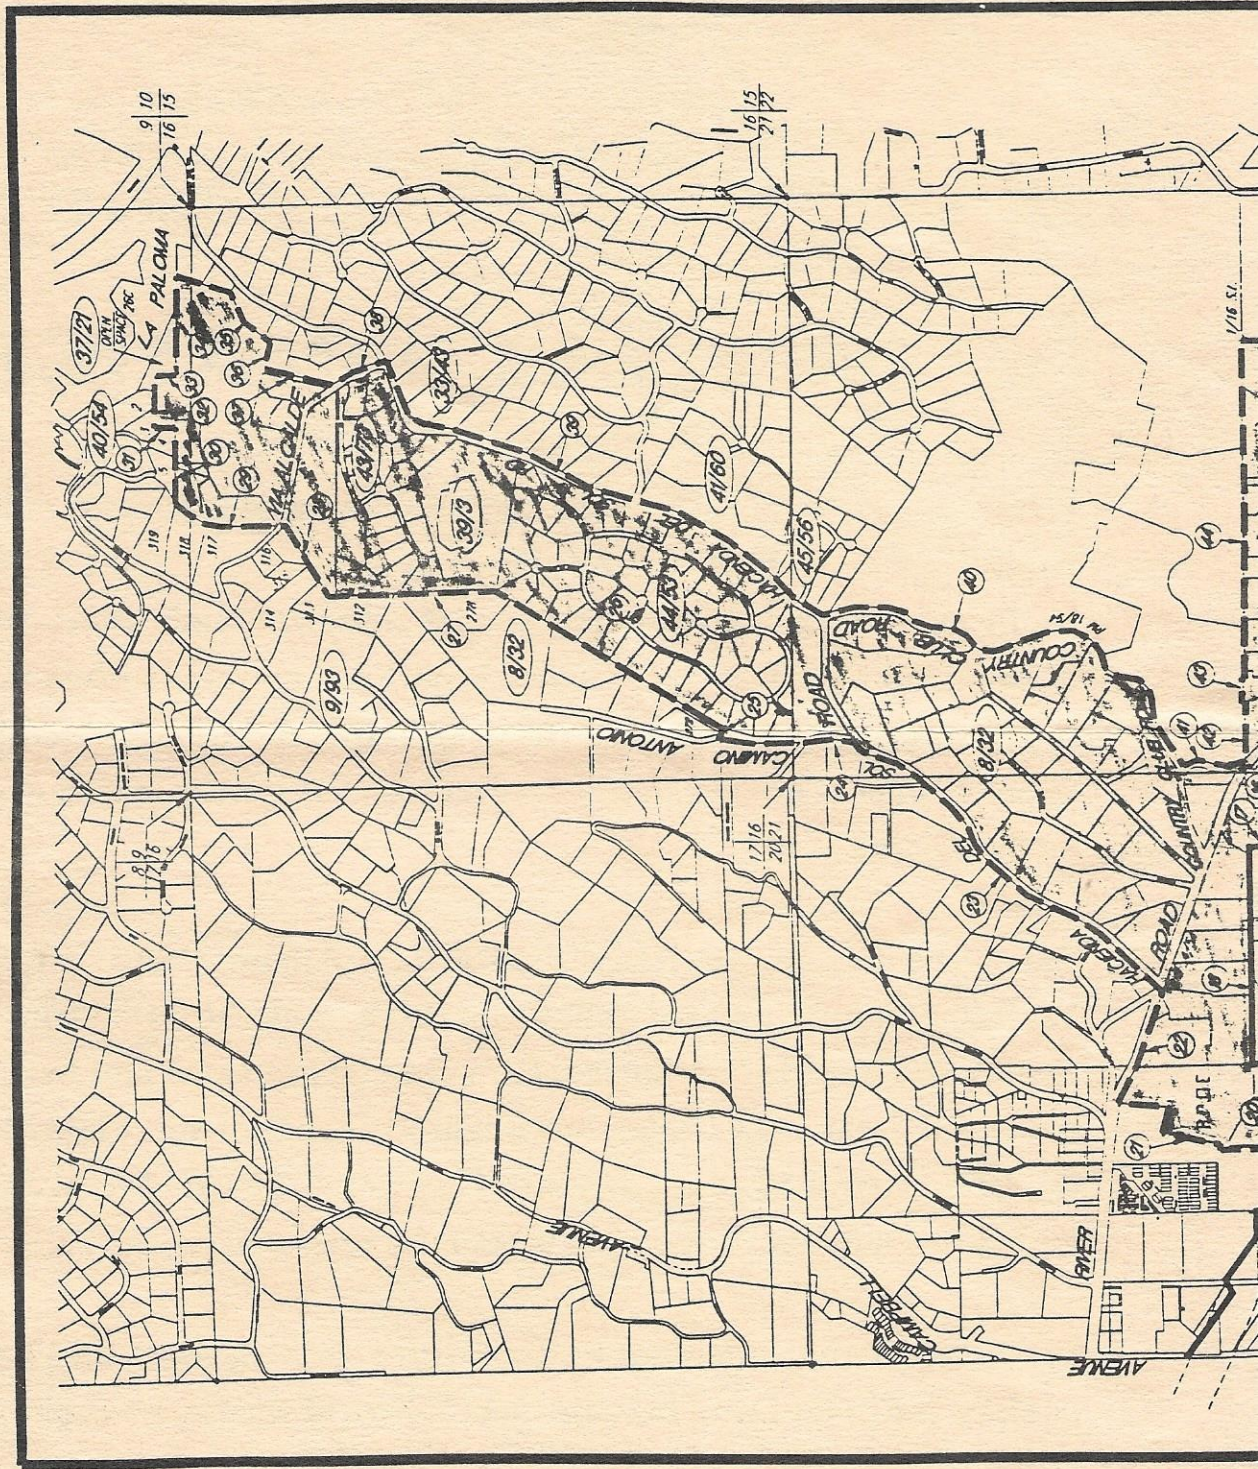

The Catalina Foothills Association (CFA) recently learned that the City of Tucson has announced a Public Hearing on May 8 at 7:30 PM in the City Hall Council Chambers to determine if sufficient landowners are in favor of annexing a part of CFA 2 which is outlined on the attached map. As required by law, only those in the proposed area will be officially notified. Other residents are not notified, therefore, the CFA is taking responsibility for informing you.

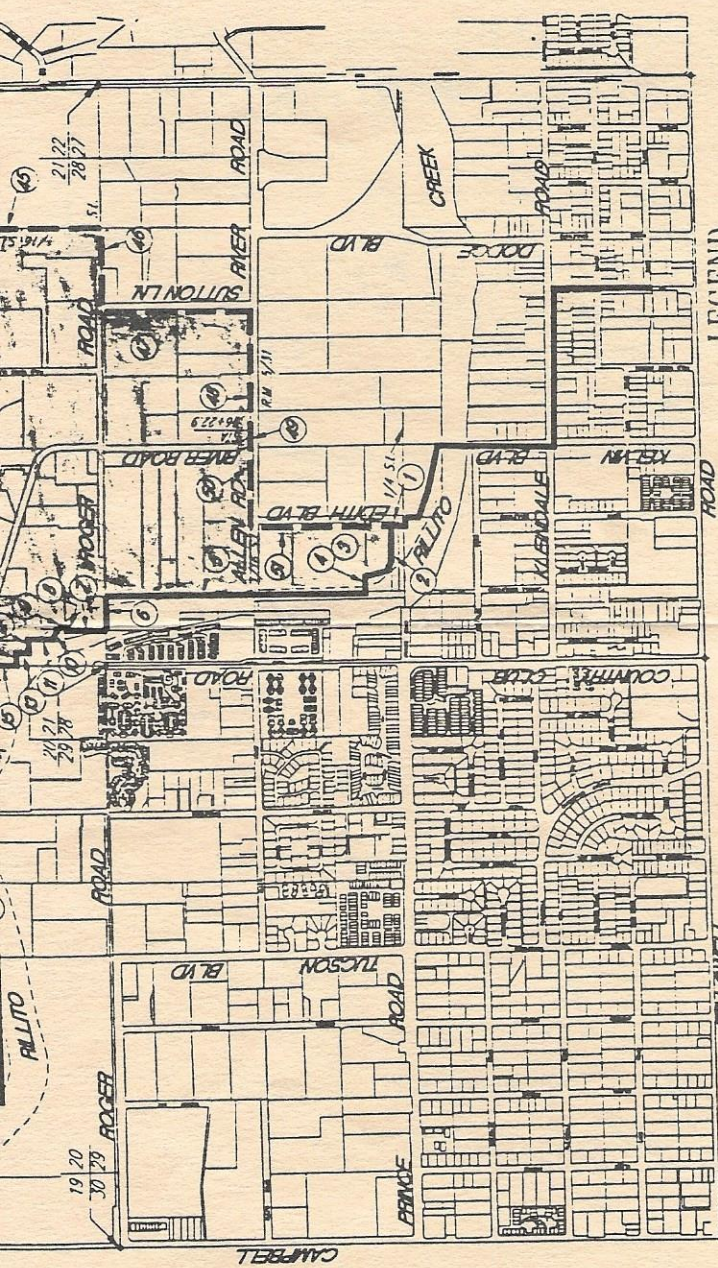

This piecemeal approach to the prize of La Paloma is clearly a disregard of Project Foresight's stated policy that there would be NO "strip" areas of annexation and that regional areas would be informed and brought into the process (as stated by Project Foresight former Director, Elaine Hedke, at the CFA Annual Meeting, January 25, 1994). (The City has been meeting with a few neighbors at a time within the proposed areas).

Please mark your calendar, carpool with your neighbors, and **BE THERE** to state your views and become more aware of the broad implications.

PLEASE CURB YOUR DOG!!

The Catalina Foothills Association Board has received complaints that dogs who are “walking their owners” have left their mark near mailboxes, on driveways, or on walkways to homes.

Please be a good neighbor and either clean up after your dog, or see that your dog utilizes the open desert.
